**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I subscribe to a small ISP provider, Sonic, in Northern California. I strenuously object to the USTelecom petition. It was important to me, when switching to Sonic, to have a local broadband provider. We have a lot of choices in my region, and we like it that way. Do the right thing here and preserve the healthy business competition we all currently enjoy.
